

## SAMPLE OUTPUT

# Code Survey Responses: survey-answers

Made by nocutoff.com from the demo file: survey-answers.csv

The demo input is invented for this sample (for handwriting, a public-domain historical letter). It contains no customer data.

This sample PDF shows the beginning of the result; the full result is in the other downloads.

| Respondent | Age group | What could we do better?                                                             | Codes                                                       |
|------------|-----------|--------------------------------------------------------------------------------------|-------------------------------------------------------------|
| P0001      | 45-54     | Use recyclable boxes.                                                                | Recyclable, less plastic packaging                          |
| P0002      | 18-24     | Less plastic in the packaging.                                                       | Recyclable, less plastic packaging                          |
| P0003      | 45-54     | Lower prices on basics.                                                              | Lower prices                                                |
| P0004      | 18-24     | Lower prices on basics.                                                              | Lower prices                                                |
| P0005      | 45-54     | Keep doing what you are doing! Use recyclable boxes.                                 | Satisfied, no change; Recyclable, less plastic packaging    |
| P0006      | 45-54     | The website is confusing on my phone.                                                | Confusing mobile website                                    |
| P0007      | 25-34     | Next-day delivery would be great.                                                    | Faster delivery                                             |
| P0008      | 25-34     | Free shipping over a smaller amount. Faster delivery, especially outside big cities. | Free shipping threshold; Faster delivery                    |
| P0009      | 35-44     | Bring back the old recipes.                                                          | Bring back old recipes                                      |
| P0010      | 18-24     | Make the app easier to search.                                                       | App search improvement                                      |
| P0011      | 18-24     | Make the app easier to search.                                                       | App search improvement                                      |
| P0012      | 55+       | Lower prices on basics. Lower prices on basics.                                      | Lower prices                                                |
| P0013      | 55+       | Nothing, I am happy.                                                                 | Satisfied, no change                                        |
