

SAMPLE OUTPUT

Extract Hardcoded Subtitles: Evening at the station, episode 1 (Chinese hardsub)

Made by nocutoff.com from the demo file: Evening at the station, episode 1 (Chinese hardsub).mp4

The demo input is invented for this sample (for handwriting, a public-domain historical letter). It contains no customer data.

1
00:00:01,000 --> 00:00:03,000
Why are you here so early today?

2
00:00:03,500 --> 00:00:06,000
I couldn't sleep, so I wanted
to get things done early.

3
00:00:07,500 --> 00:00:11,000
Did you hear about yesterday's meeting?

4
00:00:11,500 --> 00:00:14,500
Yes, I did. The boss was very unhappy.

5
00:00:15,000 --> 00:00:18,000
Can that project still be saved?

6
00:00:18,500 --> 00:00:22,000
As long as we work together,
there's still a chance.

7
00:00:22,500 --> 00:00:24,500
Don't worry just yet.
I'll go talk to him.

8
00:00:26,000 --> 00:00:29,500
Thank you. I really need the help.

9
00:00:31,000 --> 00:00:34,000
See you at the downstairs
coffee shop at 3:00 p.m.

10
00:00:34,500 --> 00:00:36,500

Okay, I'll be on time.

11

00:00:37,000 --> 00:00:40,500

Have you read this report?

12

00:00:42,000 --> 00:00:44,000

Not yet. I'll read it
when I get home tonight.

13

00:00:44,000 --> 00:00:46,000

It's due tomorrow, there's no time.

14

00:00:46,500 --> 00:00:49,000

Then let's go over it together now.
